

May 4, 2018

Hello, I attended Sunday school at this Synagogue in the 70's with Rabbi Tapoohi. I was good friends with the Dorfman's - Danny and Ethan - who I noticed in one of the gallery images. I was probably at the Succot gathering where Dov Dorfman was on the mic. I have fond memories of the Rabbi - a kindly, avuncular and jovial man. Nice work on the site.

Regards David
